OFFICE OF LEGISLATIVE COUNSEL

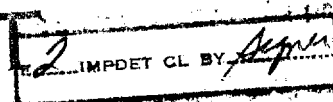

Monday - 28 March 1977

25X1 1. [REDACTED] LIAISON Chuck Snodgrass, House Appropriations Defense Subcommittee staff, called to say that he had forgotten to mention to me that one of the members of the Defense Subcommittee had asked for a personal copy of the CIA budget justification book for use in the Committee's pre-brief session this morning. Snodgrass asked if we could get a copy up right away and one was sent by a special messenger. It will be retrieved following the pre-brief session.

25X1 2. [REDACTED] LEGISLATION Called Senator John Chafee (R., R.I.) to give him some of the background on the work we had done with designees of the Senate Select Committee on Intelligence members who are also on the Senate Banking Committee concerning our problems with S. 305, a bill to amend the Securities and Exchange Act. I told the Senator that we had been in touch with Senators Robert Morgan (D., N. Car.), Jake Garn (R., Utah), Adlai Stevenson (D., Ill.), and Richard Lugar (R., Ind.), who are the members concerned, and believed that they would take care of our problems in Committee, but I thought that since he (Senator Chafee) had been gracious enough to ask us to let him know anytime he could be of assistance, that I would alert him to this fact. I said that he might emphasize our need for this help in his conversations with those members. He said he would be glad to do it. I also said we would drop some backup material by his office for him.

25X1 3. [REDACTED] BRIEFING [REDACTED] CI Staff, and I accompanied Bill Wells, DDO, to a meeting with Senator Daniel P. Moynihan (D., N.Y.) for the purpose of briefing him on the Agee case. The Senator seemed completely satisfied with the briefing and posed no really difficult questions. (See Memorandum for the Record.) 25X1
